Give Where You Live Loaned Executive Program

The 2102 Loaned Executive Team

As a local business leader, consider nominating a valued employee (or employees) to be part of the 2013 team of Loaned Executives

- Lead an organisation which people are proud to be part of
- Display community leadership to your business peers
- Encourage your employees to become more aware of the needs of local people
- Be clearly seen as giving back to the community in which you do business

As a long-time supporter of the Loaned Executive Program, Fagg's Mitre 10 sees it as an integral part of our staff members' professional development. The experience enhances many skills which are valued back in the workplace. Ultimately, businesses offering staff as Loaned Executives benefit from these individuals returning with greater confidence, awareness and having a positive impact on the staff morale.

Mark Edmonds
Chief Executive Officer
Fagg's Mitre 10

Being a LEX provided me with the opportunity to give back to the community that has supported my family and I through some tough times.

I can confidently encourage others to consider putting their hands up for 2013.

Carolyn Hogan
Loaned Executive 2012
Supply Chain and Production Planning Specialist
Alcoa Australia Rolled Products

As an employee with an interest in the community, consider putting your hand up to join a dynamic team for the 2013 program

- Be part of a fantastic personal and professional experience
- Develop your confidence and communication skills
- Gain a great sense of achievement and pride, knowing you've done something very special for people in need
- Meet new people and strengthen networks

Give Where You Live

Give Where You Live is Geelong's leading philanthropic organisation working to alleviate disadvantage from health, income and education within the Geelong community.

Aiming to provide leadership to create a caring Geelong and regional community in which all people are able to reach their full potential and not be constrained by health, education or income disadvantage.

Give Where You Live operates on a best practice, open and transparent annual round of grant allocations to our Community Partners. We enlist a panel of volunteer

grant readers representing a wide sector of the Geelong community who analyse and rate each application. Our Board then signs off on the final grant allocations.

In nearly 60 years Give Where You Live has raised in excess of \$50 million however there is still great need for our help in our community. Give Where You Live distributes funding on an annual basis to approved Community Partners. Our 2013 - 2014 Grants round will see Give Where You Live distribute approximately \$1.7 million to over 50 projects across the Geelong region. It is estimated that this funding will impact directly the lives of over 30,000 people.

The role of a Loaned Executive

Since 1966, local businesses and their valued employees have been supporting the community through involvement in the Loaned Executive Program.

Each year, the team of Loaned Executives (LEX) add vital arms, legs, voices and hearts to the Give Where You Live Workplace Giving campaign. LEXs undertake initial accredited training provided by The Gordon. Then, for a period of 11 weeks, the LEXs visit workplaces to:

- Thank current Workplace Giving contributors
- Inform them of where their valued donations are helping
- Encourage others to consider joining their work colleagues and support Workplace Giving

LEXs are free to coordinate their company visits around their normal work activities. It is anticipated that, following the initial training, LEXs will commit approximately 3 hours per week to the role.

In the last 12 months, the magic milestone of \$1,000,000 has been raised through Workplace Giving. This is the single largest source of funds raised by Give Where You Live and can be directly attributed to the efforts of previous Loaned Executives and the support of their community-minded employers.

In 2013: **Inform** *Inspire* **Influence**

I am very proud to have managed the Loaned Executive Program over the last ten years. It's a program which has received national and international acknowledgement - a true endorsement of this community's capacity to support each other. Over 1700 individuals from more than 230 businesses have participated since the first Loaned Executives in 1966.

Personally, I find it an exceptional part of my role at Give Where You Live. Each year, I meet a tremendous group of passionate and energetic local people. It's a bit of a privilege to work alongside them.
