1 Summary of Significant Accounting Policies

(a) Basis of preparation

This financial report is a special purpose financial statement prepared in order to satisfy the financial reporting requirements of the Association Incorporation Reform Act (Vic) 2012 and the Australian Charities and Not-for-Profits Commission Act 2012 (ACNC Act). The committee has determined that the Association is not a reporting entity.

The financial report has been prepared on an accruals and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets. The following accounting standards have been complied with:

AASB101 Presentation of Financial Statements

AASB 107 Statement of Cash Flow

AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors

AASB 110 Events after the Reporting Period

The recognition and measurement of the following standards have also been complied with:

AASB 116 Property Plant and Equipment

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(b) Revenue recognition

The Association recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of Give Where You Live Inc's activities as discussed below.

When grant revenue is received whereby the Association incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor.

Campaign contributions are generally recognised as revenue on receipt except for specific sponsorships or donations for which the Association has received a commitment from the sponsor or donor.

Donations and bequests are recognised when the Association receives control over the related funds.

Revenue and expenditure from additional activities are recognised on the date of the event.

Trust and interest revenue is recognised as it is earned.

(c) Plant and equipment

Plant and equipment is carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all plant and equipment is depreciated over the useful lives of the assets to the Association commencing from the time the asset is held ready for use.

Depreciation rates currently applied to each class of asset is as follows:

Notes to the Financial Statements

For the year ended 30 June 2018

- Plant & Equipment 33.33%

(d) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less.

(e) Impairment of non-financial assets

At the end of each reporting period, the Association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

(f) Financial assets

Investments held are originally recognised at cost, which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

(g) Provisions

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured at the present value of management's best estimate of the outflow required to settle the obligation at the end of the reporting period.

(h) Provision for allocations

Allocations to community partners are recognised as an expense in the period in which they are committed. As such there is a provision for all committed allocations to be paid in subsequent years.

(i) Expense sponsorship

Some contributions to Give Where You Live Inc are made by in-kind donation or sponsorship of expenses that would otherwise be paid by the Association.

(j) Income tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(k) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

12 Events after the end of the Reporting Period

At the June 2017 Board Meeting, the Board agreed to dissolve the Give Where You Live Foundation Trust and transfer the assets to the Trustee. A Trust Deed Amendment is to be executed by the Trustee for approval by the Australian Taxation Office and the Australian Charities and Not-for-profits Commission.

13 Activity as trustee and right to indemnity

The association acts as trustee of the Give Where You Live Foundation (the "Fund"), effective as of 1st July, 2012.

Liabilities incurred on behalf of the Fund are recognised in the financial report when it is probable that the Association will have to meet any of the Funds liabilities from its own resources. The Association is entitled to be indemnified in respect of liabilities, out of the assets of the Fund.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GIVE WHERE YOU LIVE INC

Opinion

We have audited the financial report of Give Where You Live Inc (the association), which comprises the statement of financial position as at 30 June 2018, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the association as at 30 June 2018 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the *Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act)*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the association for the purpose of fulfilling the directors' financial reporting responsibilities under the *ACNC Act*. As a result, the financial report may not be suitable for another purpose.

Other Information

Those charged with governance are responsible for the other information. The other information comprises the information included in the association's annual report for the year ended 30 June 2018, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *ACNC Act* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.
