# Loaned Executive Program

## Would you like to be part of a Community Professional Development Program?

For over 55 years, organisations from across our region have 'loaned' their employees to support the Give Where You Live Foundation's Loaned Executive Program.

Loaned Executives learn about who we are, how we operate and how the donations raised from Workplace Giving make a difference in our community.

**The Give Where You Live Foundation is looking for employees who are enthusiastic, passionate about their community and who have a bright future in your organisation.**
